About Ir. Ts. Yeo Cheng Kwan

I'm Captain Yeo, your instructor for today!

With a strong emphasis on health and safety throughout my extensive career, I've made a significant impact on global offshore installations. My independent consultancy from 2015 to 2021 allowed me to enhance safety standards through **Performance and Safety Excellence Programs**, featuring modules like Crew Resource Management and PBED.

I also held crucial roles as a Designated Person Ashore (DPA) and Company Security Officer (CSO) from 2009 to 2012, demonstrating my unwavering commitment to safety and compliance with ISM/ISPS Codes. Additionally, I oversaw Management Systems integration and championed safety as a Quality Assurance Manager between 2005 and 2007, showcasing my dedication to maintaining top-tier safety standards across diverse industries.

UNLOCK YOUR POTENTIAL AS AN OCCUPATIONAL SAFETY & HEALTH COORDINATOR (OSH-C)

Are you ready to take your career to the next level and become a key player in your organization's safety culture?

The Occupational Safety & Health Coordinator (OSH-C) Program is your gateway to enhancing your skills, knowledge, and impact in the world of occupational safety and health.

Our Comprehensive Program Consists of **3** Major Components:

What you'll learn:

- ✓ **Understanding OSH and Factory Act:**

Master **OSH Act of 1994** and **Factory and Machinery Act of 1967** for effective OSH program implementation.

- ✓ **Safety Activities and Compliance**

Learn safety **Documentation, Audits, and Compliance** for a safe workplace.

- ✓ **Cognisant Skillsets**

Cultivate a **Growth Mindset**, develop **Safety-related Skills**, and understand **Psychological Models** for **HSE Excellence**.

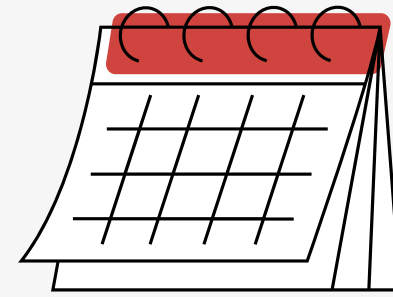

OSH-C PROGRAM

Foster a culture of continuous improvement that aligns with your organization's vision of a Generative Safety Culture.
